

ENGLISH NOTE

1. What are the tips to improve your listening or strategie
2. How long do you learn english
3. How did these things or videos help you in your learning of listening to english .

Answers :

1.

in my opinion there are different methods that i can you tips for improve your listenig
it's about ;

a. Adopt Active Listening

What is it ? Don't just hear the sound, but actively engage with the content

How to do it ?

- set a goal, before starting ask yourself what do I want to understand
- Take note
- Mentally rephrase : Try to summarize what you have just learned.

b. Practice differentiated listening

What is it ? focus on a specific aspect of the language during listening sessions

How to do it ?

- focus on the sound
 - focus on grammar
 - focus on vocabulary
-
2. I can't give you an exact duration , but for a beginner it will take 1 to 6 months to introduce himself correctly, ask questions and recognize familiar words.
 3. Listening is often the competence more difficult but the videos are very important to improve the level
